Assembly of God District/Family Camp at Lakewood Park

The North Dakota Assembly of God District Camp will be held June 16-25 at Lakewood Park Bible Camp near Devils Lake and you are invited to attend! There are evening services (nursery provided) each night at 7 PM except the first Sunday which will be 6 PM. If possible, plan to attend the weekday morning Bible classes each day at 10:15 AM. There are several other activities taking place as well. Please pick up a brochure at New Life for more details. This is a great opportunity to hear the word and enjoy fellowship with other believers.

Pat Schatzline will be the featured speaker on June 16-21. Pat Schatzline is an international Christian evangelist and author and, with his wife Karen, is the founder of Remnant Ministries International. He is known for his unique ability to communicate God's Word through passion and humor, with a deep desire to see a generation of youth and adults experience God's amazing love and power. Pat and Karen's vision is to awaken the Remnant!

Kevin Geer will speak from June 22-25. Kevin was raised in Montana and has been serving in ministry since 1996. He has a passion to equip leaders to do the mission of God and to communicate the hope of Christ to the world. In 2012, Kevin became Lead Pastor at Canvas Church in Kalispell, MT. Since then Canvas has gone through many exciting changes and has grown from under 500 to over 3000 in weekly attendance. Kevin is committed to leading people to wherever God is moving and for them to experience God in a life changing way.

There are no activities scheduled at NLF on June 21 in order to attend the Family Camp service.

We Cannot Let Up

by Dave Smith
 (Jimmy Swaggart Ministries)

After the attack of Sept. 11, 2001, there was a tremendous, immediate reaction of national and spiritual unity in our country. It was common for people to talk about and pray to God. But, within a few weeks or months much of the unity and spiritual urgency wore off. A similar apathy and indifference must not be allowed to happen after the presidential election of last November when a large segment of the Evangelical Christians stood up and rejected the direction this country has been going. Even though it is the natural tendency, Christians should not only not let up or decrease their efforts in standing up for biblical principles, but their efforts should increase because the enemy will not back down, has not given up, and is doubling his efforts.

There will be NO
