Showing the Real Love of Jesus

I was so encouraged at the recent Annual Meeting to learn that our "little country church" supports eight missionaries/ministries for a total of **\$1,240 per month!**

I thought of the thousands of little children, orphans and widows being fed and taken care of, the men and women who are bound by addictions being set free, the children here and abroad being trained and disciplined in the Word, and the native pastors in India being trained and supported allowing them to spread the Gospel. My heart was full of joy to think about the LOVE each of you has shown in your faithful and selfless giving

to assist these missionaries and ministries in their endeavors to bring the Gospel of Jesus Christ to the world.

In this month that we celebrate the gift of love, thank you for showing the real love and heart of Jesus.

Building/Remodel Update

Not much progress has been made on the education wing in the last few months. We are waiting for the electrician to arrive and do all the wiring. Once that is complete, we will be able to start insulating the ceiling and walls and hang sheetrock.

With a little more electrical work, we will be able to complete the new sound booth area as well. It needs some sheetrock work, a few pieces of new equipment, the countertops and carpet installed.

Thank you to everyone for your patience during this building project. Hopefully, soon everything will be back in its place and the new rooms will be ready for use. Be sure to take a peek at the new ladies' restroom if you haven't already.

If you would like to make a donation toward the building fund, please send it to the NLF treasurer at the address shown on this page. Your help in completing the project is greatly appreciated.

Thank you!

Our soundman Breck Ehlers takes a turn at nursery duty in his booth as well.

Thank you to Spencer Hanson for his service on the church board. His term was done in January, and Howard Ehlers was elected as the new board member at the annual meeting.
