Use God's Miracle-Working Power

So many of us are tired from religion without power. We exhaust ourselves with books, studies and seminars, constantly filling our brains with more teaching. Yet our souls are weighed down when our head knowledge of Jesus' glorious works doesn't match our experience of them.

How different would life be if we lived out the miracles of the first-century church every day, everywhere we go, with everyone we meet? Paul says those who are in Christ Jesus out to walk even as he walked. The question then is how?

When the disciples asked Jesus to increase their faith, He didn't say yes or no to their request. Instead He said, "If you had faith even as small as a tiny seed, you would say to this mountain 'Be moved' and it would." Evidently, the disciples didn't need more faith; they needed to act on the faith they had. And if they had just a little, they would see miracles.

Jesus gives us the same practical command today. "You've been granted faith. No go and act on it." Friend, tell everyone you can that Jesus loves them. Pray for the sick every opportunity you have. You will begin to see miracles. When we step out in faith believing Christ's miracle-working power, darkness will succumb to the light. Evil flees from the good works done in His name, and His kingdom will overcome. *World Challenge, Inc*
