Meet Your New Life Family

Crysti Bjorlie is married to Paul, and they have seven children. They live near Tolna. Crysti began attending New Life when it first started. She grew up in western ND and didn't have a very good childhood moving 3-4 times a year. She quit school her junior year. She met Pastor Bruce and Patti Gunderson from Watford City. She had gone to their church with friends she had met in Montana. When her family planned to move to Wyoming, Pastor Gunderson told her if she ever needed a place to stay or if anything happened, she should call them and they would come and get her. Little did she know, just a few years later, her mom would kick her out of her home. She went to live with the Gundersons. Crysti was not yet born again. Because she had a lot of respect for them, she went to church and Bible studies with them. She saw how God helped the Gundersons and their five children...no food, it came...no gas, it came, etc.

Crysti wanted what the Gundersons had but was too shy to go forward in a church service or ask about being saved. So, she would go outside during the service and when everyone left the church, she'd go back in and cry out to God. A minister came to the church to hold meetings for a while, and Crysti did the same thing. She went out during the service and came back in when she thought everyone had left. But this time, there sat Patti and the speaker. She asked why they were still there and they said that God told them to wait there. Crysti became one of "God's kids" that day...February 1, 1981.

Crysti says, "There have been a lot of ups and downs in my life, but when we ask God to help, He always does. It may not be on our time, but His timing is perfect. There's a lot more to my testimony...just ask me about it sometime."

Annual Biker Breakfast Saturday, May 18—9:00 AM

Helpers needed to cook and serve breakfast, visit, cleanup, etc. Arrive around 8:00 AM to help with preparing the meal.

This is always a good time and a great opportunity to demonstrate the love of Jesus.

congrats, Grads!
