**Lois and Kay at NLF**  
Sun., July 19—10:30 AM

Rev. Lois Baker and Kay Rindahl serve together in a unique prophetic ministry motivated by the desire to bring healing, hope, and encouragement to the body of Christ. They minister by the

anointing of the Holy Spirit in churches of various denominations.

Their love and dedication to the Lord, knowledge of His Word, and love for the body of Christ enables them to flow freely in the gifts of the Spirit ministering prophetically in a unique way. The Word is brought forth in love, conviction, and power, while personal ministry confirms the Word with signs following.

*Have you lost the joy of being a Christian?  
Try being a soul-winner!*

## Bible Book of the Month

My hubby (Pastor Jeff) inspired me last Sunday with his statement, "If you're going to have a book of the month, make it your Bible!" So, I thought it would be fun to try something new as a congregation.

Each month, we'll suggest a book of the Bible to read and study. For those wishing to participate, you may choose to read the whole book once a day or spread it out however you prefer.

A history and notes for each book will be included with the monthly newsletter to give you some background info. Please take note of the info sheet included in this mailing.

Each Sunday of that month, we will have volunteers to read a selected chapter or passage from the chosen book during our worship service. It would also be fun to have participants share during our testimony times on Sundays about what they are learning from their study of the book.

The first "Bible Book of the Month" is...**Philippians!** It was chosen because it's main message is Christian **JOY!** I think we could use some of that in our world today. We hope you'll consider participating. **Get your whole family involved.** We look forward to growing together in the Word of God!
