### Ladies Bible Study

Diane Finneman

Tuesday, January 4th at 1:00 p.m., following prayer and intercession, the ladies of NLF will begin a new book study measured by the Word of God for truths. The name of the book is "DANGER: FISHING in the SEA of FORGETFULNESS". It reveals Satan's biggest set-up that entangles nine out of ten Christians... how "sin recall" and "unforgiveness" can open a door, allowing Spirits to attack believers. Authored by Perry Stone, this is a very in-depth study (and my third re-read of its contents) that will bring revelation to habitual habits and sins brought by the tongue; how it can hinder your healing; hinder the effectiveness of the body of Christ; and hinder personal breakthroughs. "The struggle of releasing extreme forgiveness in extreme cases" will be addressed. This book "will stir you into full obedience to God" (His Word). The "best" part is that when revelation is followed by acts of obedience, there is deliverance! Deliverance that will stir to "full" obedience to God and be life-changing! We invite you to prayerfully consider joining us on Tuesdays for this study. (Prayer/intercession at 10 a.m. is pretty amazing, too.)

### January Bible Book of the Month...

#### MATTHEW

Christ's commission to His early followers is still His mandate to us today: "Make disciples of all the nations" (Matthew 28:19). Christ's work of building His church is the work He does through **each** of us.

**THANK YOU** so much to our wonderful New Life family for the kind words, beautiful cards and generous gifts given to us for Pastor's Appreciation Day. We are especially enjoying the digital photo frame that the church presented to us. We love being able to see our new grandbaby and our kids every day!

We're truly blessed and humbled to serve you and look forward to all God has in store for each of you as well as our church body in the new year. Pastor Jeff and Karol

### ANNUAL BUSINESS MEETING

Wed., Jan. 13—7:00 PM

Please make plans to join us as we prepare and plan for the coming year. Your input is appreciated!
