## Bible Book of the Month...ACTS

God can do amazing things through ordinary people when He empowers them through His Spirit. The book of Acts shows how God essentially took a group of fishermen and commoners and used them to turn the world upside down. God used the persecution the Christians endured to help stimulate the incredibly rapid expansion of the fledgling church. God can and does do the same through us—changing our hearts, empowering us by the Holy Spirit, and giving us a passion to spread the good news of salvation through Christ.
