Mark of the Bride

by Roma Waterman

In prayer I heard the Lord say: "Many are talking about the mark of the beast - but not enough people are talking about the MARK OF THE BRIDE".

As He said this, I immediately remembered a dream I had a few months ago. In this dream I was walking through a small village with cobblestone roads.

In front of me were two tall warrior angels in dark robes. They had a sack in their hands and, of all things a branding iron.

I walked up to them and asked "What are carrying?"

The angels looked at me and in excitement they said: "We are fire branding angels. When people give their lives to Jesus we mark them with the mark of Christ! It can be seen in the spirit by anyone and marks those who have encountered Jesus!".

They were so excited and were looking for those who wanted to carry the mark of the bride.

When I woke, I had a strong sense this meant that when we follow Christ, we are HIS. You are HIS. Even demons know you are HIS. This is a mark that is branded in Holy Spirit fire that cannot be easily hidden or dismissed. (cont. on next page)
