Meet Your NLF Family...Neal & Liz Swenson

Neal grew up in Sheyenne, ND. As a young man he attended college and then came back to Sheyenne to raise cattle and work for the postal service. In 1981 he was involved in a serious car accident that nearly took his life. During his recovery, he became much closer to the Lord after realizing how fragile life really is.

Liz grew up in New Ulm, MN. She went to college in Rochester, MN and graduated as an RN. During college, God put some very influential people in her life that greatly expanded her faith.

Neal and Liz met in Rochester in 1984, when Neal had surgery on his arm. Following a long distance courtship, they were married in 1987. Neal has always said that the accident was the best thing that ever happened to him, being that is how he and Liz met. They have 2 children. Their daughter, Emily, is married to Jared Deckert and they have three children. Their son, Evan, is engaged to Hope Gutschmidt. A June wedding is planned!

A short time into their marriage, Neal and Liz realized that, as a couple, they needed to be growing together in the same church (they were raised in different Christian denominations). They were introduced to New Life Fellowship in 1992 and have been attending NLF since that time. They are so thankful to have Pastor Jeff and Karol and their New Life Fellowship family.

*"It is a holy-making Gospel.
Without holy fruit
all evidences are vain.
Dear friends,
you have awakenings,
enlightenings, experiences,
a full heart in prayer,
and many due signs;
but if you lack holiness, you will
never see the Lord.
A real desire
after complete holiness is
the truest mark of being born again.
Jesus is a holy Saviour.
He first covers the soul with His
white raiment,
then makes the soul glorious within
- restores the lost image of God,
and fills the soul with
pure, heavenly holiness.
Unregenerate men among you
cannot bear this."
(Robert Murray M'Cheyne, 1813-1843)*

Word for the Year

by Momma Karol

I've never really been a "word for the year" type person. Not sure why. I guess maybe I never really thought about it. But, for some reason as I was driving home from town today, the thought popped into my head. I began to wonder, "What would I consider worthy of a whole year's thought? Should I start intentionally asking the Lord for a specific word? Why have I never thought about this before?"

Before I even finished asking myself all the questions about why I didn't have a "word for the year", the Lord gave me the answer to all of my questions! It was...JESUS! Well, that was easy. And, that was perfect! And, He is perfect. And, He is THE WORD... from the very beginning.

John 1:1 *In the beginning was the Word, and the Word was with God, and the Word was God...*

The passage goes on to say, "*In Him was life, and the life was the light of men. And the light shines in the darkness...*" (vv. 4, 5a)

Jesus is my life, and He's the light that shines to the darkness of this world. He wants to shine that light through you and me!

Do I, do we, really understand how much this dark world needs the light of Jesus? Let's be beacons of light to this lost and hurting world. Let's proclaim the Word of Life to those around us and see them become new creations all because of JESUS...my "Word for the year(s)"!
