Meet Your NLF Family...Jackson & Kalli Neidlinger

I (Kalli) grew up in a Christian home as a PK (Pastor's Kid...Pastor Jeff and Karol's youngest child), so I always knew about God and who He was, but I was definitely living off of my parents' faith. Then one day at FaHoCha Bible Camp, when I was about 9 or 10 years old, I had a conversation with one of my counselors (who was also a PK). During that talk, I realized that I needed to take my faith into my own hands and have a personal relationship with God. So, that night I gave my life to the Lord and started my own relationship with Him!

Jackson was adopted by Jerry and Julie when he was a baby. They raised him in a Christian home as well... beginning in Nebraska. Later, he and his family moved to Australia where his mom is originally from, and they lived there until Jack was about 7 years old. They then decided to move back to the US and settled in North Dakota where his dad is from. Jack gave his life to the Lord when he was about 12 years old at Asbury Bible Camp.

Jack and I first met at our Homeschool Enrichment Day in Devils Lake, ND when we were just little squirts. We didn't really know each other that well until he and his family started coming to New Life. That's when we first became friends. Throughout our high school years our friendship really blossomed, and we truly became best friends. We decided to start dating at the end of his senior year in February of 2020, became engaged in October of 2020, and married on August 28, 2021.

We currently live in Devils Lake, ND where we are both working at financial institutions. We've been loving our time as newlyweds and are growing in our walks with the Lord together! When we aren't working, we love to just relax, watch a movie, and eat lots of food! In the warmer months, we love to go for walks/jogs or shoot some hoops at the park...well, he does. I'm just there to pass the ball back to him! As long as we're together we know we're going to have a blast no matter what we do! Although we live in Devils Lake, we still make the drive down to New Life (almost) every Sunday. I may be a little biased, but, frankly, there is no other church like it! New Life has always been a second home to me and everyone there is like family to us. I can't imagine going anywhere else! Our future plans are pretty unsure right now, but we know that if we put our trust in the Lord and let him guide us, everything will work out just fine.

SANCTITY OF HUMAN LIFE MONTH

January is the marked month that we give voice to the sanctity of human life. The March for Life occurred in Washington, D.C. on January 21st. Our own Verna Gleason was especially passionate about protecting the lives of babies in the womb.

Our local Women's Care Center in Devils Lake has some pressing needs as they serve those mothers choosing life. How can we be a blessing to them? Since the WCC does not receive any government assistance, and because their sole existence is based off of donations, monetary gifts are most needed.

Would you consider a gift to this life-saving ministry? Please do so by accessing one of the following options:
