Eric's mother, Lacie, expressed a big Thank You to everyone for praying and giving to them. She said it really means a lot!

Eric's doctor says he believes that they are getting a handle on the Wegener's Disease but they want to see more improvement in his kidney function. Please continue to pray about that. The clot in his heart has shrunk a little.

go to the hospital three times a week for dialysis. Having his siblings here has been a big change for everyone, but we are making it work the best that we can. We are also now ready to start home schooling," she says.

A benefit for Lacie Bjorlie's expenses has been set up at the Farmers & Merchants Bank of Tolna.
