Business Meeting Attendance

by Carrol Dahl

The low attendance at the business meetings the past few years concerns me. I wish I knew the reason for this. Is it because of the distance to travel? Or, a concern that it may be uncomfortable because of an experience in a former church meeting? Or, because you trust those who do attend to make wise decisions?

Anyone who is a "frequent attender" of the church services is welcome to attend and may vote. I feel our quarterly business meetings include good discussion about church business, finance and ministry opportunities. No one is loud or argumentative.

The meetings always start with prayer and often a Scripture verse. As expected, there is the reading of the last meeting's minutes and treasurer's report. Discussion items may include needs about up-keep on the building, for example. Disbursement of the tithe account always takes place. The tithe account is money that is set aside after every offering to help with financial needs of someone in the church, community or elsewhere. Suggestions are made by Pastor and/or attendees. A discussion follows as to how much

Meet Your NLF Family

Would you consider submitting an article about you or your family for the "Meet Your NLF Family" column? Many of us live in different communities and don't get a chance to visit with everyone at our worship services and events. We'd love to be able to get to know each other better. Our hope is that these articles will allow you to put a name to each face and let you learn a bit about your church family.

New or long-term attendees, young or old...you are all invited to submit a column. Please email it to Karol at:

Tom Shanklin

Sunday, Oct. 30

10:30 AM

Tom Shanklin Ministries is dedicated to taking the whole Gospel to the whole world sharing the Good News of God's love and redemptive plan. It's a message of spiritual, emotional, physical, and relational healing to a lost, hurting, and needy world.

Mike Bartel of *F.R.E.E. International* will join us to share about his ministry on Sunday, October 9 during the morning service.

F.R.E.E. was founded in 2007 because founders Michael and Denise Bartel believed then, and still do, that every man, woman and child should be FREE from slavery!

The Bartels, worked with Project Rescue out of Southern Asia to combat human trafficking and realized the issue was not just a foreign problem. Upon their return to the U.S., they founded F.R.E.E. International and continued the fight against modern day slavery here in the states.

F.R.E.E. began with their headquarters located in New York City and worked throughout the country to raise awareness about human trafficking, training local communities how to mobilize and be effective in fighting slavery.

Now headquartered in Las Vegas, they have F.R.E.E. team members working
