MISSIONARY SERVICE AT NEW LIFE Sunday, Oct. 6—10:30 AM

Since 2009, Nolan and Kami have served as missionaries in multiple countries around the Middle East to see the unreached people of Islam come to know Jesus.

The Pattern Platform was birthed through their endeavors to plant churches amidst restrictive governments and hostility toward the gospel.

Nolan and Kami are helping to put discipleship resources onto phones and into the native languages of the world's people.

We need you to be involved!

Our Dear New Life Family,

Once again, we are so overwhelmed by your words of love and encouragement and by your special and generous gifts in honor of Pastor's Appreciation Day. And what a sweet surprise to have such a delicious meal to share and time to spend visiting with so many of you.

It's sometimes difficult to sit and listen to people express their thoughts of appreciation and thankfulness for our ministry, etc. Remember, we know us...ha! We see each other's flaws and faults and know that "we're not all that"! And, so, it is always humbling to know that God can still work through us and use us to minister to the needs of our church family. We certainly understand that God is able to use "cracked" vessels. He will use those that are willing to be filled with His presence and then be poured out in service to others. Please pray that we are willing to be continually filled by the Holy Spirit...we'll do the same for each of you!

We trust that New Life Fellowship will be a blessing to each other, our families, our communities and, most importantly, to our God. You have blessed us beyond measure, and we love you all so very much. It's an honor to serve as your pastor and wife...Jeff & Karol

You are welcome to join Pastor Jeff as he ministers at the Friendship Healthcare Center (McVile nursing home) each month.

The residents love to have visitors, special music, etc.
