“Teacher, are we having Sunday School today?”

Diane Finneman is looking for helpers to come alongside, as needed, to teach the children’s Sunday School class. This is not about putting you on a teaching schedule but only on a need basis when she will be out of town or just needs an occasional break to sit in the service.

There is a “rewarding” opportunity here. Will you answer the door?

Quoting Sammy Rodriquez, from his book, *Run to Win*, “Sometimes we feel the only “real” ministry is the mission field. Why do you think some supernatural thing is going to happen to you the moment you set foot on foreign soil? You want to cross the sea for Christ, but why don’t you start by crossing the street and talking to your neighbor?”

I have an idea. I will tell you about a foreign land you can evangelize. The people speak a different language, but you’ll catch on. These people are of small stature, indigent to a certain region. They can be a bit on the wild side. It is called *Sunday School*. The people are called *kids*. They need your help and ministry. Try volunteering at your Sunday School ministry at church. Ministry is everywhere.”

Will you prayerfully consider answering this need. Try it! You might find that you really like it!

Thank you...Diane Finneman

LADIES' NIGHT

Wed., May 28

6:30 p.m.

New Life Fellowship

A lady returned to her childhood church. While looking around in the kitchen, she saw a wooden plaque with a button. The button didn’t work. She read the sign above the plaque: “When you are through using the kitchen, push button to summon a servant to clean up. If there is no response, refer to Matthew 20:25-28 for further instruction.”
